Mr. B U T E N A S

This letter is to certify that.....
Petras.....has been employed in the above named
camp as Teacher of Secondary School.....
from 1st of February....to 15th of August 1948.

During this period he-she has given excellent service,
is honest, trustworthy and is well recommended for similar
employment.

It is with many regrets that we are losing the
services of Mr. BUTENAS Petras.....owing to the closing
down of Lithuanian Detachment in this camp.
